VWM 200 COMBO

No	Code	Name	Qty	No	Code	Name	Qty
1		Bolt	2	50		reactance	1
2	51953	handle	1	51		power transformer	1
3		M5 Nut	2				
4	51954	left plastic panel	1				
5		Button for side panel	1				
6	51955	side panel	2				
7		taping screw	10				
8	51956	machine cover	1				
9	51957	righe palstic panel	1				
10	51958	feeding wheel	1				
11	51959	middle plate	1				
12	51960	PCB	1				
13	51961	feeding unit	1				
14		taping screw	2				
15	51962	front plastic panel	1				
16		steel plate for panel	1				
17		white lamp	1				
18		yellow lamp	1				
20	51963	knob	3				
21	51964	MIG torch					
22	51965	red quick-plug	1				
23	51966	black quick-plug	1				
24		round screw	4				
25	51967	support block	4				
26	51968	cover for cooling fan	1				
27		bolt	4				
28	51969	cooling fan	1				
29	51970	switch	1				
30		anti-pull block	1				
31	51971	power cord	1				
32		9Z24 heat sink	1				
33		control PCB for wire feeding	1				
34		9540 & heat sink	1				
35		Electrolytic capacitor	1				
36		main control PCB	1				
37		current diverter	1				
38		driving PCB	1				
39		7815& heat sink	1				
40		power PCB	1				
41		heat sink	1				
42		Electrolytic capacitor	3				
43		relay	1				
44		Thermistor	1				
45		heat sink for rectifier	1				
46		CBB capacitor	2				
47		Driving Transformer	1				
48		current detector	1				
49		heat sink for fast-recover Diode	1
